

BUILDING / CONSTRUCTION MAINTENANCE WORKER TRAINEE

Under the general supervision of the Field Operations Supervisor, the employee will perform semi-skilled maintenance and construction activities associated with the installation and repair of water, natural gas, or wastewater lines. Other duties may involve the ground maintenance of office buildings, water pump stations, wastewater lift stations, and various natural gas stations and other assigned duties. The employee may operate medium-weight equipment with supervision and perform carpentry, masonry, and other miscellaneous tasks related to the provision of building maintenance, water, natural gas, and wastewater services. The employee is expected to fulfill rotational assignments and to remain on-call according to rotational schedules.

All candidates must possess a valid State of Alabama driver's license and a driving record that would allow insurability by the Board's insurance. All candidates MUST be a graduate of a senior high school or equivalent.

Starting Pay: \$16.00 (Starting pay may be different than the advertised rate-dependent on experience)

Applications may be picked up and returned at the offices of the Utilities Board at 1607 2nd Avenue E., Oneonta, Alabama.

The Utilities Board of the City of Oneonta is a Drug-Free workplace and an "Equal Opportunity Employer"
