Natural Gas Light Rebate Terms and Conditions

- 1) The gas light you are requesting a rebate for must be a new natural gas gas light and not originally a liquefied propane gas light that has been converted or modified to utilize natural gas.
- 2) The gas light must be installed by a State of Alabama Certified Natural Gas Fitter in accordance with the International Fuel Gas Code.
- 3) The rebate form must be completed by you and your installing contractor.
- 4) You must include with the rebate form a receipt for the purchase of the gas light and an installation receipt from the contractor that installed the gas light.
- 5) The Utilities Board of the City of Oneonta may require a physical verification of the gas light installation. If so, a Utilities Board representative will contact you to set up a meeting at the location of the installed gas light.

By signing below you acknowledge and confirm that you have read and accept the terms and conditions for this rebate.
