The Utilities Board of the City of Oneonta

**Tank-Type Water Heater
Rebate Terms and Conditions**

- 1) The tank-type water heater you are requesting a rebate for must be a new natural gas tank-type water heater and not originally a liquefied propane tank-type water heater that has been converted or modified to utilize natural gas.
- 2) The tank-type water heater must be installed by a State of Alabama Certified Natural Gas Fitter or Certified Plumber in accordance with the International Fuel Gas Code.
- 3) The rebate form must be completed by you and your installing contractor.
- 4) You must include with the rebate form a receipt for the purchase of the tank-type water heater and an installation receipt from the contractor that installed the tank-type water heater.
- 5) The Utilities Board of the City of Oneonta may require a physical verification of the tank-type water heater installation. If so, a Utilities Board representative will contact you to set up a meeting at the location of the installed tank-type water heater.

By signing below you acknowledge and confirm that you have read and accept the terms and conditions for this rebate.
